Dear Sir:

An Information Disclosure Statement was filed in the above-identified application on March 28, 2005, as evidenced by the attached copy printed out from the file history of this application in the U.S. Patent Office website (“PAIR”). It does not appear that the PTO-1449 form filed with that IDS was returned to the undersigned as being considered by the Examiner.

Additionally, it was noted that several references were not checked off on PTO-1449's filed with Information Disclosure Statements on June 22, 2004, February 14, 2005, and May 23, 2006 which were initialed and returned by the Examiner. Also attached is a PTO-1449 form listing those references.

It is respectfully requested that pursuant to the provisions of M.P.E.P. 609, the attached PTO-1449's, marked as having been considered and initialed by the Examiner, be returned to the undersigned with an official communication.

Please charge any additional fees or credit any overpayment to Merchant & Gould P.C.,
